

The Canadian 9-Ball Tour

Shooters Billiards, Toronto

The finals between Dan Doerner and Tyler Edey was a race to eleven. The last time these two played, the match went hill-hill. The first time Edey got in front was when he edged out to a 9-8 lead. Doerner ran out to level the score at 9-9. A dry break from Doerner gave Edey the lead once again at 10-9. A perfect break from Edey laid the foundation for the win—he cleared the table to take the victory and accept congratulations. The final score 11-9, Calgary's Tyler Edey over Dan Doerner.

The overall winner on the final ranking points list is again Edwin Montal of Calgary. The reigning Canadian champion once again secured the points crown for the second consecutive year to lay further testament to his number one status as Canada's top nine ball player.
