

Justin Bergman at Break Billiards

Sherry Pouncey AzB

The Midwest 9-Ball Tour brought about a strong regional contingent at their event held in Cahokia, Illinois, at Break Billiards the weekend of April 5th-6th. This \$2500 total added tournament offered up two divisions, an open and a separate women's event.

The eventual winner of the sixty-nine player field open division, Justin Bergman had a very long weekend ahead of him after his 9-3 first round loss, but it didn't seem to deter him as he pulled together twelve wins in a row on the one-loss side following the initial loss, including defeating Jim Eberhart in the quarter-finals 9-5, and semis Jerry Terbrock 9-5.

The winner's side hot-seat match consisted of Rich Sager and Jerry Terbrock. Sager held on to best Terbrock on the hill ending the set quite tightly. Sager waited patiently for his opponent, Justin Bergman, to work his way through the remainder of the field to seal his spot in the final round with Sager. But, unfortunately for Sager, Bergman had too much of a momentum going by that point. Bergman pulled off the weekend win with set scores of 9-3, 9-3. All the while, on the women's side of the chart, Kristin Werner held off a determined Chelsea Hardwick for top honors.
